

## GUIDELINE FOR CONCEPT PROPOSAL

APPLICANTS ARE REQUIRED TO DO A 2-5 PAGE WRITE UP ON THEIR PROPOSED RESEARCH STUDY. THE WRITE UP MUST REFLECT THE FOLLOWING:

- Proposed title of the study
- Introduction to the proposed study
- Brief literature review: What does the current literature reveal about the proposed study [maximum of 6 sources]
- Rationale/motivation for wanting to do the study
- Primary aim: A statement of the researcher's intentions. In other words, what is the desired outcome to be achieved by this study – i.e. To develop an in-depth understanding of parents' experiences regarding the learner-on-learner violence in schools
- Proposed research approach: Qualitative/quantitative
- Area and population: Who will be the participants & where will they be drawn
- Proposed method of collecting data: interviews/observations/etc.
